Messrs. Loftcutter and Bennett, electrical engineers of St. Louis, have purchase will certainly be made, inasmuch as Mr. Schwarz, of the National Lend Co., who is part owner at Wm. Perkins to M. B. Barber, 160 present, stated last week that the acres in Sec. 28, Twp. 38, Range 4; plant was going to change hands near the first of October. Whether or not Messrs. Loftcutter and Bennett purchase depends upon the conditions which they will have to fulfil in obtaining a franchise. It is their letention to improve and overhaul the present plant, running it in a satisfac- | Elmwood tory manner until they can build a new plant near the site of the waterworks wells. Two new dynamos will be installed and the entire town re-poled and re-wired. These two gentlemen are well known and enterprising engineers of St. Louis. They own interests in several plants throughout the State and will no doubt give us good service.

Lovers of amusement should avail themselves of the opportunity of witnessing "Railroad Jack" on its presentation here. The explosion at Dawson Switch, and the flight of the midnight express is said to be very realistic, the great torusedo seene in which a circus tent is blown to pieces and a lady is thrown into a Lion's den and reseated by the tramp in full view of the audience is the most sensational of all previous efforts.
